To be covered by Birla Carbon’s OR registration, customers are required to routinely provide the Birla Carbon OR with information as described in the REACH regulation, in particular, the name/address of each EU customer to be covered by the Birla Carbon OR registration, the tonnage of Birla Carbon’s carbon black products imported into the EU and its use. Should this information not be routinely provided or should this information be inaccurate, Birla Carbon’s OR cannot cover the EU importer and the EU importer will remain or become responsible for the compliance of its importation of Birla Carbon’s carbon black products under the REACH regulation.

CC Holdco will retain the required records of the annual volume and uses of the substance imported by your company.

If your company chooses to use Birla Carbon’s Only Representative under REACH, please return the information requested below to bc.hse@adityabirla.com .

The information presented within this publication is based on Birla Carbon’s analysis and the analysis of others. Birla Carbon disclaims all representations and warranties regarding performance or use, express or implied, including implied warranties of merchantability and fitness for a particular purpose. The user is responsible for determining the suitability of any product for a specific purpose and the manner in which the product is used. Before handling, using, or processing any material, always read its Safety Data Sheet.
