TSCA Inventory Notification (Active/ Inactive)

Based on an analysis of the TSCA Inventory Notification (Active-Inactive) Requirements - 82 Fed. Reg. 154 (August 11, 2017) and a review of the interim list of active substances, Birla Carbon is exempt from reporting under the TSCA Section 8(b) Inventory Notification (Active-Inactive) Rule.

All substances that were reported in the 2012 and 2016 CDR have been verified as "Active" substances listed on the Inventory. This includes all substances that were imported, as well as processed for nonexempt commercial purposes, including Carbon Black (CAS # 1333-86-4).

The information presented within this publication is based on Birla Carbon's analysis and the analysis of others. Birla Carbon disclaims all representations and warranties regarding performance or use, express or implied, including implied warranties of merchantability and fitness for a particular purpose. The user is responsible for determining the suitability of any product for a specific purpose and the manner in which the product is used. Before handling, using, or processing any material, always read its Safety Data Sheet.
